## Did you know?

**Did you know there is a transportation stipend being offered for Educational Choice in Florida by Step Up for Students? This includes transporting your child to a charter school!**

Every child has unique needs and sometimes the best school may be one other than the one he/she is assigned. To support the transportation costs associated with traveling to a different public school than the one the student has been assigned, families of K-8 students can benefit from a transportation stipend of \$750 per eligible household, regardless of income.

Families can easily apply for the stipend through Step Up For Students at <https://www.stepupforstudents.org/scholarships/>

## UP COMING FIELD TRIPS:

Thursday, April 25<sup>th</sup>- 1<sup>st</sup> & 2<sup>nd</sup> Grades to Ocala Discovery Science and Park

Thursday, May 16<sup>th</sup>- 3<sup>rd</sup> Grade to Orlando Science Center

Tuesday, May 21<sup>st</sup>- 5<sup>th</sup> Grade to Kennedy Space Center

Please make sure that your child is wearing the appropriate shoes to school everyday. Please remember that CROCS and open back shoes such as slides and flip flops are NOT allowed for safety reasons. Students have P.E. and recess everyday and enjoy running and playing outside and there is an increased risk for injury if they have on inappropriate shoes.

## Important Dates:

April 19<sup>th</sup>- NO SCHOOL! 😊

May 6<sup>th</sup>-10<sup>th</sup>- STAFF APPRECIATION WEEK!

May 17<sup>th</sup>- Field Day!

## RESILIENCY SKILL OF THE MONTH:

### MENTORSHIP AND CITIZENSHIP

Mentorship and Citizenship go hand in hand. It is vital that we teach all our students how to practice good citizenship. After all, the actions of each individual person at home, in school, in communities, in states, countries, and the world impacts all of us. It really helps determine what kind of world we are living in. Mentors are critical in teaching others how to be good citizens and stewards of the earth.

**Check out this short video about mentorship and citizenship.**

<https://www.youtube.com/watch?v=jtPCjNULjBs>

## Resiliency Skills

The State of Florida has implemented resiliency skills and standards throughout all grade levels. These skills are intentionally designed to impart the value of resiliency in early grades, such as volunteerism, responsibility, and goal setting, and then support students as they demonstrate those concepts in higher grades. The standards embed concepts of civic responsibility through citizenship and mentorship to not only help students understand the value of these ideas, but to actively engage in activities and exercises that will prepare them to be upstanding, responsible citizens.

## HEALTH AND WELLNESS:

Please remember to keep your child at home if they are not feeling well. If your child has a fever, diarrhea, or are throwing up, they **MUST** be symptom free for 24 hours **WITHOUT** the aide of medicine before they can return to school.

If you have any questions, please call Ms. Brittany in the front office at 687-2100.

## ATTENDANCE MATTERS! BE HERE! ON TIME! EVERY DAY! ALL DAY!

Our school mascot, Captain Clark the Shark will be visiting classrooms with the best attendance in the school each week! Ms. Wells will also be giving out \$5 Shark Bucks every day to a student in each grade level if they were here on time.

**THIS WEEK'S WINNER: Mrs. Amerling's class!**

# 100 DAYS OF SAFER DRIVING FOR TEENS

Summer break is always an exciting time for teens. But it can also be very dangerous as they begin to spend more and more time on the roadways.

**Over the past five years, nearly 3,500 people have been killed in crashes involving teen drivers during the 100 Deadliest Days of Summer, the period between Memorial Day and Labor Day.\***

As a result, nearly two-thirds of people injured or killed in a crash involving a teen driver are people other than the teen behind the wheel.

\*Source: Traffic Safety Culture Index - AAA Foundation for Traffic Safety

## Talk. Teach. Plan.

*To keep the roadways safer this summer, AAA encourages parents to:*

Speak with your teen early and often about driving responsibly and abstaining from dangerous behavior behind the wheel.

Teach by example. Drive just as carefully as you want your child to drive, and avoid risky behavior when you're in the driver's seat.

Emphasize that safe driving is smart driving by completing AAA's parent-teen driving agreement to set family rules for your teen driver.

**Visit [AAA.com/Teens](http://AAA.com/Teens) for more helpful tips and resources.**

Parents/guardians who are interested in going on Field Trips or future volunteer opportunities this year, please make sure to get your approval through the yearly application process here: <https://apps.raptortech.com/Apply/MTE2NTplbi1VUw==>

**Please remember this needs to be done every year, so even if you were a volunteer previously, please complete this application again for this school year's approval.** You will receive a confirmation email once you are approved. After you are approved, please verify whether your child's teacher needs volunteers and let them know you are interested for each opportunity, since there is often a limit on the number of volunteers. Multiple family members will not be allowed unless there is a need for more volunteers. Please remember as a volunteer you may be responsible for supervising children other than your own and school rules apply while off campus.

Safe Schools processes all volunteer applications. Please reach out to **Safe Schools** if you have a question about the volunteer application process or to check on the status of your volunteer application. If you have any questions about the application process, please contact the MCPS Safe Schools Department at 352-671-6963 or email your questions to [jeanna.pirkl@marion.k12.fl.us](mailto:jeanna.pirkl@marion.k12.fl.us).
