• To provide meaningful results and to protect the privacy of individual students, no data are reported if the number of students is less than ten. If all students would be reported in the same Performance Level, the data are suppressed, with the exception that the **Percentage in Levels 3-5** is reported. A dash (—) appears when data are suppressed.

• Performance Levels 3-5 are grouped together for comparison, since the percentage of students scoring at or above satisfactory is necessary for accountability reporting.
 • When totaled, percentages may not add to 100 due to rounding.
