

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- ◆ Link to academic achievement goals
- ◆ Focus on student learning
- ◆ Share strategies that staff, parents, and students can use
- ◆ Explain how parents and teachers can communicate about student progress
- ◆ Describe opportunities for parents to observe, volunteer, and participate in the classroom

Did You Know?

➡ Families, students, and staff worked together to share ideas to develop the school-parent compact. Each school year, two meetings are held for parents, teachers, and students to compare the compact with school achievement data to review our progress and assess our goals.

➡ The compact is created to meet the needs and goals of our school and students.

➡ Parents are welcome to provide feedback on the compact at any time during the school year. Please call Michelle Axson at **(352) 687-2100** or visit our website, marioncharter.org for more information.
