HEALTH AND WELLNESS:

Please remember to keep your child at home if they are not feeling well. If your child has a fever (100.4 or higher), diarrhea, or are throwing up, they **MUST** be symptom free for 24 hours **WITHOUT** the aide of medicine before they can return to school.

If you have any questions, please call Ms. Yedy in the front office at 687-2100.

RESILIENCY SKILL OF THE MONTH:

HONESTY and EMPATHY

Honesty is being truthful in your words and actions, meaning you say and do things that are true and fair. It's also about being someone other people can trust and rely on, like keeping promises and sharing information with adults. Being honest isn't just about not lying; it means being open and clear in your thoughts and behavior.

Check out this short video about being honest.

A great story to read to your child about honesty is "The Empty Pot!". Click on the link to hear the story.

ATTENDANCE MATTERS!

BE HERE! ON TIME! EVERY DAY! ALL DAY!

Our school mascot, Captain Clark the Shark will be visiting classrooms with the best attendance in the school each week! Ms. Wells will also be giving out \$5 Shark Bucks every day to a student in each grade level if they were here on time.

This Week's Winner: Mrs. Dube's Class

Resiliency Skills

The State of Florida has implemented resiliency skills and standards throughout all grade levels. These skills are intentionally designed to impart the value of resiliency in early grades, such as volunteerism, responsibility, and goal setting, and then support students as they demonstrate those concepts in higher grades. The standards embed concepts of civic responsibility through citizenship and mentorship to not only help students understand the value of these ideas, but also to actively engage in activities and exercises that will prepare them to be upstanding, responsible citizens.
