RESILIENCY SKILL OF THE MONTH:

GRATITUDE

Gratitude is the feeling of being thankful for good things, big or small, like your family, a fun day at school, or even a delicious snack. It's like a warm "thank you" from your heart when someone is kind to you or something good happens in your life.

Check out this short video about gratitude.

A great story to read to your child about gratitude is "The Gratitude Jar!". Click on the link to hear the story.

Resiliency Skills

The State of Florida has implemented resiliency skills and standards throughout all grade levels. These skills are intentionally designed to impart the value of resiliency in early grades, such as volunteerism, responsibility, and goal setting, and then support students as they demonstrate those concepts in higher grades. The standards embed concepts of civic responsibility through citizenship and mentorship to not only help students understand the value of these ideas, but also to actively engage in activities and exercises that will prepare them to be upstanding, responsible citizens.

ATTENDANCE MATTERS!

BE HERE! ON TIME! EVERY DAY! ALL DAY!

Our school mascot, Captain Clark the Shark will be visiting classrooms with the best attendance in the school each week! Ms. Wells will also be giving out \$5 Shark Bucks every day to a student in each grade level if they were here on time.
